TECHNICAL NOTES

The Fisheries infographics presents the data on volume and value of production of fisheries derived from the quarterly surveys conducted by the Philippine Statistics Authority. The surveys are: Quarterly Commercial Fisheries Survey (QCFS), Quarterly Municipal Fisheries Survey (QMFS), Quarterly Inland Fisheries Survey (QIFS), and Quarterly Aquaculture Survey (QAQS). These surveys are conducted quarterly with reference period: January to March for the First Quarter, April to June for the Second Quarter, July to September for the Third Quarter, and October to December for the Fourth Quarter. Data are collected from the sample fish landing centers for QCFS and QMFS, from sample households for QIFS, and from sample aquafarms for QAQS.
