HOUSEHOLDS

were covered in the 2020 Census of Population and Housing (CPH) in Oriental Mindoro.

For land ownership in the 2020 CPH, the respondent was asked, "Does any member of this household own the following...?" This determines if the household has any member/s who own other lands aside from the one that the household is currently occupying. The data were collected using the CPH Form 2 (Common Household Questionnaire).

28.6%

or
61,415 households

own at least one land apart from the land that they own/occupy at the time of the census

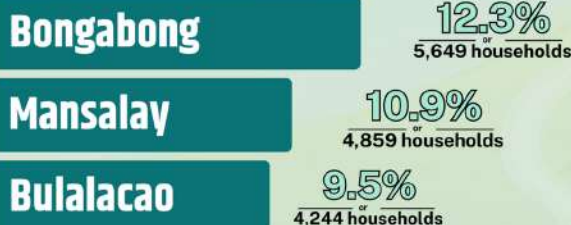

Agricultural Land

20.8%

or
