PhilSys Updates

PHILIPPINE IDENTIFICATION SYSTEM

REF: 2024IG-10-028

The National ID refers to the valid proof of identity issued upon successful registration to the National ID system. As a digital foundational ID system, National ID System will transform how services are delivered and accessed in the Philippines, and accelerate our transition to a digital economy, enabling presenceless, paperless and cashless transactions.

Various Formats of National ID

National ID
National ID is the physical card, delivered by **PhilPost**

ePhilID
the electronic version of the National ID, typically presented in printed form. Registered citizens can go to the nearest **Registration Center** and bring their transaction slips to request for the printing of their ePhilIDs.

Digital National ID
Digital version of the National ID can be accessed through website **https://national-id.gov.ph/** or through the **eGov PH app**. Registered citizens may also take a screenshot of their Digital National ID to obtain a personal copy.
