PhilSys School Registration in the Municipality of Gloria: Tinalunan Elementary School (right) and Malamig Elementary School (left)

The Philippine Statistics Authority (PSA) Oriental Mindoro continues the conduct of School Mobile Registration in different municipalities of the province. This strategy aims to register and capture biometric information of teachers, and students who just turned five (5) years old this school year 2023-2024. As part of the School Campaign, the registration teams conducted school-based registration in all public and private schools, especially in elementary schools.

In this activity which started during the third quarter of 2023, PSA Oriental Mindoro were able to register a total of 6,944 students/teachers and issued 1,652 ePhilIDs in the different city and municipalities of Oriental Mindoro.

Presently, the school mobile registration is still being undertaken to ensure complete PhilSys registration in the province alongside with the regular mobile registration in the municipalities of Baco, Naujan, Socorro, Pola, Pinamalayan, Bongabong, Mansalay, Bulalacao as well as in the City of Calapan.
