30 September 2024 – CALAPAN CITY, ORIENTAL MINDORO. The Philippine Statistics Authority (PSA) Oriental Mindoro proudly announces the successful conduct of the 2024 POPCEN-CBMS enumeration. The census, which aimed to gather comprehensive demographic and socio-economic data, was conducted smoothly and efficiently with full support from the local government of the municipality of Bansud.

CAO/OIC Charlyn Romero-Cantos expressed her deep gratitude to the dedicated head area census supervisors, census area supervisors, team supervisors, and enumerators for their hard work and commitment. She also extended heartfelt thanks to the municipal POPCEN-CBMS core teams of LGU Bansud, as well as the officials of each barangay in the municipality, for their unwavering support throughout the entire census operation.

The data collected will serve as crucial input for planning and implementing programs that truly address the needs of Bansud's population, ensuring that future initiatives are well-aligned with the community's requirements.

A census area supervisor, along with five team supervisors and 28 enumerators, completed the data collection for the 2024 POPCEN-CBMS in the municipality of Bansud. The data collection commenced on 15 July 2024 and concluded on 30 September 2024, spanning a total of 50 mandays as scheduled.

The PSA is committed to delivering relevant and reliable statistics. Hence, the agency encourages the public, especially the sample households and establishments, to participate in the various censuses and surveys conducted by the PSA. The agency also assures the public that all collected personal information is processed in accordance with the law and other issuances.
