Note: Figures are results of actual registration without any adjustment for under-registration.

Explanatory Note

The data on the number of births, marriages, and deaths presented in this quarterly special release were obtained from the vital events registered, either timely or belatedly at the Office of the City/Municipal Civil Registrar throughout the province of Oriental Mindoro and subsequently submitted to the Office of the Civil Registrar-General through the Philippine Statistics Authority (PSA) - Oriental Mindoro Provincial Statistical Office (PSO). The information presented includes the vital events that occurred in the Fourth Quarter 2022, Third Quarter 2023, and Fourth Quarter 2023 based on the data files received by the PSA – Civil Registration Services (CRS) and has undergone initial processing as of 31 May 2024. The figures presented herein are still provisional and may differ from the final count.

CHARLYN ROMERO-CANTOS, PhD
(Chief Administrative Officer)
Officer-in-Charge
Oriental Mindoro Provincial Statistical Office

Technical Notes

Live births shall be reported for registration to C/MCR not later than thirty (30) days from the date of birth.

Death or fetal death shall be reported to LHO within forty-eight (48) hours from the time of death and the LHO shall direct or cause the registration to the C/MCR not later than thirty (30) days from date of death.

Marriages that require the issuance of marriages license shall be reported to C/MCR for registration not later than fifteen (15) days from date of marriage. However, marriages that do not require a license such as marriage at the point of death (Article 27); marriages in remote places (Article 28); marriages between members of ethnic cultural community (Article 33); and marriages between men and women who have lived together for at least five (5) years (Article 34), shall be reported not later than thirty (30) day after date of marriage.

Any report made to the LCROs beyond the reglementary period are considered late and can be entered only in the civil register after the informant complies with the requirements for delayed registration.

DEFINITION OF TERMS

Live birth is the complete expulsion or extraction from its mother of a conception, irrespective of the duration of pregnancy, which, after such separation, breaths or shows any other evidence of life.

Marriage is a special contract of permanent union between a man and a woman entered into in accordance with law for the establishment of conjugal and family life.

Death is the permanent disappearance of all evidence of life at any time after live birth has taken place.
