27 JUNE 2024 - BUANGAN, TORRIJOS, MARINDUQUE. PSA Marinduque PSO, in partnership with LCRO Torrijos, successfully conducted a Mobile Registration on BRAP in Barangay Buangan, Torrijos, Marinduque on 27 June 2024. Birth Registration Coordinator Shiela Mae D. Matining, together with Torrijos MCR Ronan L. Regio and staff, managed the preparation of certificates of live birth for seven individuals whose birth records were previously unregistered in the PSA database. These individuals completed the necessary requirements for delayed

registration of live birth, a vital step in securing their legal documentation.

Additionally, Certificates of Live Birth in SecPa were provided to four BRAP beneficiaries residing in the said barangay. These beneficiaries expressed their appreciation for the PSA program, highlighting the importance of finally having their birth certificates in PSA-issued copies on hand.

Starting 2022, one of the major programs of the PSA is the implementation of the Birth Registration Assistance Project in the country. This project aims to increase the level of civil registration especially in marginalized communities such as those belonging to the Indigenous Peoples group, Muslim Filipinos, and the poorest sector in the country and ensuring that they have their PhilIDs issued which is a gateway for them to claim their social benefits and legal identities.
