BRC Matining, together with Gasan MCR Madronio and staff, interviewed and prepared the COLBs of the registrants, in Brgy. Dili, Gasan, on 09 October 2024.

09 OCTOBER 2024 – LIBTANGIN, GASAN, MARINDUQUE. On 09 October 2024, PSO Marinduque, in partnership with LCRO Gasan, organized Mobile Registration Services for BRAP at the barangay hall of Barangay Dili in Gasan, Marinduque.

The event focused on registering individuals without birth certificates. BRC Shiela Mae Matining, along with Gasan MCR Maria Sofia R. Madronio and her team, facilitated the registration process. They also offered free consultations on civil registry documents to correct any inaccuracy. At the same time, Dili Barangay Secretary Julie Ann Regondola prepared the Barangay Certification and Certificate of Indigency issued by the Punong Barangay, which are required for delayed registration of Live Birth for the BRAP.

COLBs of four individuals were prepared after completing the requirements for delayed registration of Live Birth. Some registrants were born outside of the province, thus their documents will be transmitted to and processed by the appropriate PSO/LCRO for subsequent registration.

Overall, the initiative was well-received and appreciated by the community members who participated, as it enabled them to secure essential civil registry documents.

This undertaking is a joint project of PSA Marinduque, PSA RSSO-MIMAROPA and Gasan LGU. This project aims to increase the level of civil registration especially in marginalized communities such as those belonging to the Indigenous Peoples, Muslim Filipinos, and the poorest sector in the country and ensuring that they have their PhilIDs issued which is a gateway for them to claim their social benefits and legal identities.
