

## PRESS RELEASE

### Conduct of February 2025 Stocks and Cereals Survey Strengthened

Date Release: 4 February 2025  
Reference No.: 2025-015

4 FEBRUARY 2025 - ROMBLON, ROMBLON. PSA Romblon conducts the February 2025 Rice and Corn Stocks Surveys (Commercial and Household) (RCSS:C/RCSS:H) and the February 2025 Monthly Palay and Corn Situation Reporting System (MPCSRs) in the province of Romblon on February 1-6, 2025. The RCSS is a monthly survey that aims to collect data on rice, palay, corn grain, and corn grits stocks from sample households and selected commercial establishments in eleven (11) municipalities in the province. Meanwhile, the MPCSRs is a survey conducted to monitor the production and growing conditions, production, and area of palay and corn across the country. The February MPCSRs sample households are concentrated in the islands of Tablas and Corcuera.

CSS Johnny F. Solis with SSS Dandy H. Fetalvero, SA Joy Florence Motin, AgStat COSWs and Statistical Researchers for the conduct of the 2025 RCSS and MPCSRs during the Third Level Operational Training on 30-31 January 2025 at PSA Romblon District Office in Odiongan, Romblon.

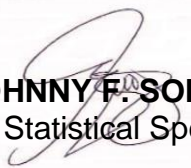

Prior to the field operations, PSA Romblon trained eight (8) Statistical Researchers to carry out the survey activities last January 30-31, 2025 at PSA Romblon District Office in Odiongan, Romblon. The survey will be fully carried out using Computer-Assisted Personal Interview (CAPI) system and Pen and Paper Interview (PAPI) method.

The PSA's authority and mandate to carry out activities related to the PPA is in accordance with Section 5 of Republic Act 10625, also known as the Philippine Statistical Act of 2013. Considering this, all respondents, whether natural or legal persons shall be liable to reply to the statistical inquiries or surveys of the PSA and other statistical offices of the Philippine

Statistical System. Hence, we are requesting the public to support the conduct of the February 2025 RCSS and MPCRS.
