05-07 FEBRUARY 2025 – CAJIDIOCAN, ROMBLON. The Philippine Statistics Authority (PSA)-Romblon Provincial Statistical Office has intensified its conduct of National ID registration activities in far-flung communities, particularly in Geographically Isolated and Disadvantaged Areas and crossed seas to reach more Romblomanons.

*National ID Mobile Registration at Cajidiocan Covered Court, Brgy. Poblacion, Cajidiocan,*

On 05-07 February 2025, in support to the Mobile Serbisyo Caravan, PSA Romblon conducted National ID mobile registration in Sibuyan island, particularly in the municipalities of Cajidiocan and San Fernando, to register residents who cannot easily go to Registration Centers to have a safe and convenient registration.

Unregistered family members and neighboring households were likewise accommodated. To immediately enjoy the benefits of being National ID-registered, Registration team issued ephilID after the registration if readily accessible for downloading. Otherwise, registrant will be contacted once the ID is available for claiming.

Meanwhile, on February 07, 2025, a home service was conducted at Sitio Maligaya, Brgy. Cantagda, Cajidiocan, Romblon to register an elderly person who is unable to register on mobile registration sites. Challenges during the registration is undeniable but the desire to reach the most disadvantaged is one of the primary goals.
