PSA Launches 2025 Monthly Integrated Survey of Selected Industries (MISSI) and 2025 Producer Price Survey (PPS) to Track Manufacturing Sector Performance

Date Release: 05 MARCH 2025
Reference No.: 2025-041

05 March 2025, ROMBLON, ROMBLON. The Philippine Statistics Authority (PSA) is presently conducting the 2025 Monthly Integrated Survey of Selected Industries (MISSI). The survey aimed to collect information that will provide timely flash indicators to monitor the performance of growth-oriented industries in the manufacturing sector and 2025 Monthly Integrated Survey of Selected Industries (MISSI) and 2025 Producer Price Survey (PPS) which will be used in the generation of the Producer Price Index (PPI) for the manufacturing sector of the economy. These data will be used by government planners, policy makers and administrators in formulating economic development plans, policies, and programs.

The survey collects data on employment, compensation, value of production, revenue, inventory of raw materials, finished products and work-in-progress, and capacity utilization rate. The data collected will be used in the generation of indicators, namely, Value and Volume of Production Indices, Value and Volume of Net Sales Indices, and Average Capacity Utilization Rate, among others.

The data will be gathered from the sample establishments through questionnaires and collected every month from December 2024 to December 2025 by the authorized field personnel of the PSA. Hence, we are requesting the public to support the conduct of the MISSI especially the sample establishments to provide accurate and reliable data.
