PSA Romblon Registers Surpasses National ID Target in May 2025

Date Release: 11 June 2025

Reference No.: 2025 - 078

11 JUNE 2025 – ROMBLON, ROMBLON. The Philippine Statistics Authority has overcome significant logistical challenges and frequent power interruptions to achieve a milestone in its National ID registration efforts, onboarding 1,968 individuals in May 2025, a remarkable 273% of its monthly target.

PSA Romblon registration personnel assist clients during the Step 2 registration.

This accomplishment underscores the team's dedication despite the difficulties in operations across five islands of Romblon: Romblon mainland, Sibuyan, Tablas, Banton, and Corcuera. Mobile registration activities reached even the remote areas in the province.

This month's output brings a cumulative total to 262,219 registrants. A key focus of the registration drive ensures that vulnerable and geographically isolated populations are included:

- a. Indigenous Peoples:** Successfully registered 148 members of the Sibuyan Mangyan Taga-bukid (SMT) and 12 members of the Bantoanon Tribe.
- b. Senior Citizens:** Enrolled 207 social pension beneficiaries through targeted initiatives
