

## PRESS RELEASE

### PSA Romblon to Conduct First Quarter 2024 Crops Production Survey

Date Release: 12 March 2024  
Reference No.: 2024-034

12 March 2024. ROMBLON, ROMBLON. Philippine Statistics Authority (PSA) Romblon successfully conducted Third Level Training on Quarterly Crops Production Survey last 7 to 8 March 2024 at PSA Odiongan District Office, Odiongan, Romblon.

A total of four (4) statistical researchers were trained for two (2) days and discussed the concepts and procedures to produce quality data and effectively deliver the required outputs. The quarterly crops production survey will start the enumeration on 14 to 27 March 2024 on the selected sample households in the Province of Romblon. The Crops Production Survey (CrPS) is one of the major agricultural surveys conducted by the Philippine Statistics Authority (PSA) to generate estimates on the volume of production, area planted/harvested, number of bearing trees/hills/vines, and farmgate prices for crops other than palay and corn at the national and sub-national levels.

All information collected by the hired Statistical Researchers from sample respondents shall be kept strictly confidential and shall not be used for purposes of taxation, investigation or regulation as provided under Article 55 of RA 10625.
