

PRESS RELEASE

PSA Romblon Continues National ID Registration, Includes Children Less than 5 Years Old

Date Release: 22 January 2024
Reference No.: PR-2025 -010

22 JANUARY 2025 – ROMBLON, ROMBLON. The Philippine Statistics Authority Romblon Provincial Statistical Office is continuing its efforts in the National ID registration of more Romblomanons, including children below 5 years old. This initiative is part of the government's effort to ensure that every Filipino, regardless of age, is included in the National ID system. The National ID provides essential access to government services, healthcare, education, and more, ensuring that even the youngest citizens are well-represented.

Biometric information capturing during registration at Fixed Registration Center (left photo) and Brgy. Bonlao, Alcantara, Romblon (right photo).

Parents and guardians of children below 5 years old are encouraged to bring their children to the registration centers to complete the process. For children under the age of five, biometric data such as fingerprints and iris recognition will not be collected, but the registration will focus on capturing the child's personal information. This includes the child's full name, date of birth and other supporting documents like the child's birth certificate. Parents or guardians will also need to present their own National ID that has been issued to them.

Starting 20 January 2025, PhilSys Romblon team will continue the mobile registration for the National ID in the municipalities of Odiongan and Alcantara. As registration efforts are being intensified, registration centers will be set up in the following barangays:

- January 20-22, 2024 – Brgy. Calagonsao, Alcantara, Romblon
- January 20-23, 2024 – Brgy. Pato-o, Odiongan, Romblon
- January 23-28, 2024 – Brgy. Concepcion Norte, Alcantara, Romblon
- January 24-27, 2024 – Brgy. Dapawan, Odiongan, Romblon

Parents and guardians are encouraged to take this opportunity to register their children in the PhilSys ensuring they are included in the National ID system. Also, services will be extended to continue authenticating more 4Ps beneficiaries. Here, they will undergo identity verification through fingerprint scanning for matching against the National ID registry.

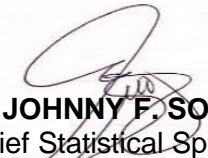

Meanwhile, the Fixed Registration Center in Odiongan continues to offer National ID registration, along with services such as updating and correcting demographic information for all applicants. This initiative is designed to make the registration process more accessible and efficient, ensuring that all Filipinos can easily access government services and benefits.

4Ps authentication at Brgy. Calagonsao, Alcantara, Romblon.

Upcoming schedules of registration in various barangays will be announced in the FB Page of PSA Romblon <https://www.facebook.com/psa.romblon> including the co-location activities with the Department of Social Welfare and Development. For more information, please contact PSA-Romblon Provincial Statistical Office with contact numbers 0939-876-0734/0921-301-3323, and email address romblon@psa.gov.ph.
