*Statistical Specialist II, Harvy Fabaleña, presented an overview of the 2024 POPCEN-CBMS to the participants in the Municipality of Santa Cruz.*

PSA- Marinduque PSO conducts Training Orientation on the 2024 POPCEN-CBMS BPQ Data Collection, Service Facilities and Government Projects Listing in the Municipality of Santa Cruz on 15 May 2024 at the Barangay Hall of Barangay Pag-asa, Santa Cruz, Marinduque.

The training session was led by Statistical Specialist II, Harvy Fabaleña, supported by Statistical Researchers Charlotte Manlisis and Eden Mendros. Attendees were comprised of barangay personnel from the Municipality of Santa Cruz, alongside with staff from the Municipal LGU.

During the training session, participants were provided an extensive overview of the 2024 POPCEN-CBMS, along with detailed instructions on conducting the BPQ and SFGP Listing. The trainers emphasized the importance of accuracy and thoroughness in data collection, ensuring that all participants understood the critical role their efforts would play in shaping community development policies. Interactive sessions were held to address any queries and concerns, fostering an atmosphere of collaborative learning.

Overall, the orientation session served as a foundational step in preparing participants for their vital roles in the POPCEN-CBMS, setting the stage for a collaborative and data-driven approach to community development and governance.
