**Santa Cruz, Marinduque** – The Philippine Statistics Authority (PSA) MIMAROPA, led by Regional Director Leni R. Rioflorido, in collaboration with the Local Government Unit (LGU) of Santa Cruz, Marinduque, successfully conducted the PSA Serbilis Mobile Outlet on March 27-28, 2025. This initiative aims to bring PSA essential frontline services closer to the public.

The PSA Serbilis Mobile Outlet provides on-site printing and releasing of civil registry documents, including birth certificates, death certificates, marriage certificates, Certificates of No Marriage (CENOMAR), and Certificates of No Death (CENODEATH), all within the same day of application. By eliminating the need for long travel and processing times, the initiative significantly improves public access to these vital documents.

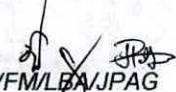

During the two-day operation, the PSA Serbilis Mobile Outlet successfully processed and released a total of 469 civil registry documents. The overwhelming response from the residents of Santa Cruz underscores the importance of bringing PSA services directly to local communities, ensuring that more citizens benefit from fast and efficient service delivery.

The PSA MIMAROPA extends its gratitude to the LGU of Santa Cruz for their support in making this activity a success. Moving forward, PSA MIMAROPA remains committed to expanding its outreach efforts through the Serbilis Mobile Outlet, strengthening its mission to provide accessible and efficient civil registration services to the public.
