Philippine Statistics Authority (PSA) Marinduque Provincial Statistical Office (PSO) participates in the Business One-Stop Shop (BOSS) program of Local Government Units (LGUs) together with various government agencies, facilitating seamless business establishment processes through a centralized location for business development services.

The BOSS program of LGU is designed to fulfill the mandates of the Ease of Doing Business and Efficient Government Service Delivery Act of 2018 (RA 11032) by coordinating with all relevant agencies. The primary goal is to facilitate a hassle-free business application process.

On 08 to 15 January 2024, PSA-Marinduque conducts a week-long PhilSys registration and issuance of ePhilID in three (3) municipalities, Gasan, Mogpog and Torrijos, in particular, facilitating the BOSS program in the province.

During the week-long event, the PhilSys registration team registered a total of 74 individuals, and three (3) ePhilIDs were issued on the same day. This expeditious process provides immediate access to the benefits and advantages of PhilSys, which modernizes and streamlines citizen identification.

As PhilSys continues to expand its implementation, PSA-Marinduque encourages all remaining unregistered individuals to take advantage of these various saturation drives to avail PhilSys services.
