09 June 2025 – MARINDUQUE. The Philippine Statistics Authority (PSA) Marinduque Provincial Statistical Office (PSO) proudly reaffirmed its commitment to public service and inclusive education by actively participating in two significant Brigada Eskwela 2025 activities, aligning with this year's theme, *"Sama-sama para sa Bayang Bumabasa."*

During the Division Brigada Eskwela Kick-Off Ceremony at Poras Elementary School, Brgy. Poras, Boac, PSA Marinduque PSO stood

alongside educators, parents, and partner institutions to promote literacy and foster a safe and welcoming learning environment. The activity served as a testament to the spirit of bayanihan, with stakeholders uniting to prepare schools for the upcoming academic year and ensure that every learner has access to quality education.

Simultaneously, PSA Marinduque PSO collaborated with the Gasan Local Civil Registry Office (LCRO) to conduct a community outreach activity at Bachao Ilaya Elementary School in Gasan. This initiative included information dissemination on the significance of civil registration and offered mobile acceptance services for birth, marriage, and death certificate applications. The activity was designed to bridge service delivery gaps and ensure that vital civil documents are accessible to all, especially residents in geographically isolated and disadvantaged areas.

Through these engagements, PSA Marinduque continues to integrate its core mandates into impactful, community-based programs. The agency remains steadfast in its efforts to support national education goals while extending reliable, timely, and inclusive civil registration services across the province.
