Department Heads and members of the CBMS coordinating board, and distinguished representatives from the provincial offices of the Department of Interior and Local Government (DILG), Department of Information and Communications Technology (DICT), and Provincial Planning Development Office.

Highlights from the results of the 2022 CBMS data were presented and results in various areas were discussed. The CBMS data contains valuable information on the demographic, health, education employment, income, expenditure, and housing, among various indicators of the population of the municipalities. Participating LGU's presented their future plans and programs to be utilized for the benefits of the community.

The successful 2022 CBMS Data Turnover marks a significant moment in the Municipalities of Abra De Ilog, Lubang, and Magsaysay's journey towards the sustainable and inclusive development of their municipalities.
