PRESS RELEASE

PSA Oriental Mindoro Conducts 2025 Survey of Retail Prices of Selected Commodities for the Generation of Consumer Price Index (CPI)

Date of Release: 22 January 2025

Reference No. 2025-PR-005

The Philippine Statistics Authority (PSA) Oriental Mindoro will conduct the 2025 monthly Survey of Retail Prices of Selected Commodities for the Generation of Consumer Price Index (CPI). The survey will take place in two phases: the first phase will be on the 1st to 5th day of the month and the second phase will be on the 15th to 17th day. Additionally, the prices for petroleum products will be collected every Tuesday.

The conduct of this survey is in accordance with Republic Act (RA) No.10625 otherwise known as the Philippine Statistical Act of 2013, which authorizes the PSA to prepare and conduct periodic censuses on various sectors of the economy and Executive Order No. 352 mandating the conduct of the survey every month.

The Retail Price Survey (RPS) collects retail prices and other relevant marketing information at various frequencies at pre-selected major trading centers throughout the province. The term “retail price” refers to the price at which a commodity is sold in small quantities for consumption. It will also generate the CPI that measures the changes in the average retail prices of a fixed basket of goods and services commonly purchased by households relative to a base year.

Five (5) hired Statistical Researchers (SR) will be utilized to visit 355 sample outlets/establishments in the municipalities of Roxas, Bongabong, Pinamalayan, Puerto Galera, and the City of Calapan every month.

The PSA is committed to deliver relevant and reliable statistics. Hence, the agency encourages the public, especially the sample establishments, to participate in the various censuses and surveys conducted by the PSA. The agency also assures that all collected personal information is processed in accordance with the law and other issuances.
