07 July 2025 - CALAPAN CITY, ORIENTAL MINDORO. The Philippine Statistics Authority (PSA) Provincial Statistical Office of Oriental Mindoro has officially launched the National ID *Rehistro Bulilit* Campaign in the last semester of 2024, bringing the National Identification System closer to young Filipinos across eight municipalities and one city in the province. This initiative, aimed at ensuring that every Filipino child aged zero to four years old is officially recognized and included in national databases from an early age.

In a groundbreaking step to strengthen the country's social services infrastructure, the campaign rolled out in the municipalities of

Puerto Galera, Socorro, Pinamalayan, Bansud, Bongabong, Roxas, Mansalay, and Bulalacao. The *Rehistro Bulilit* campaign simplifies the smooth registration process that will allow children to access crucial services such as health care, education, social welfare programs, and more.

Each event was participated with hundreds of children and parents actively participating. Fun games and prizes were given to the children. PSA Oriental Mindoro is very much grateful to the assistance of the Local Government to ensure the success of this campaign. The said campaign is expected to continue in 2025 in the remaining municipalities.

The campaign not only aims to register the children but also educate and raise awareness of the importance of the National Identification System. PSA encourages all parents and guardians to ensure their children's registration as soon as possible. By participating, they will help guarantee that their children will not miss out on the benefits of the National ID system.
