### **11 MARCH 2025 – YOOK, BUENAVISTA, MARINDUQUE.**

PSA PSO Marinduque, in coordination with the Buenavista Local Civil Registry Office (LCRO), successfully organized a BRAP Mobile Registration activity at the Yook Covered Court in Barangay Yook, Buenavista, on 11 March 2025. This initiative aimed to improve access to civil registration services for residents.

BRC Shiela Mae D. Matining, along with Buenavista LCRO Alma Regio, efficiently processed birth certificates for individuals whose records were not available in the PSA database. Some registrants were born outside the province, and their documents will be forwarded to the appropriate PSO/LCRO for further processing. To streamline the registration process, a comprehensive list of potential beneficiaries was compiled for verification against the PSA database, ensuring that those in need of registration support were accurately identified and assisted. Additionally, the National ID team, also present at the event, registered 4Ps beneficiaries who had not yet enrolled in the National ID system.

The event offered a convenient and welcoming environment for community members to register vital information, allowing them to complete their registration needs without the hassle of traveling long distances. This collaborative effort highlighted the commitment to enhancing civic engagement and empowering residents through accessible services. Overall, the mobile registration proved to be a valuable resource for the community, promoting greater participation in civil registration.
