Calatrava's population recorded at 11,254

The population of the municipality of Calatrava as of July 1, 2024 was 11,254 persons. This population count is based on the 2024 Census of Population (2024 POPCEN).

This count has been declared official for all purposes by the President of the Philippines through Proclamation No. 973 dated 11 July 2025, pursuant to Republic Act No. 10625, or the Philippine Statistical Act of 2013, and Executive Order No. 87, s. 2025. These mandate the conduct of periodic censuses to provide government planners, policymakers, and administrators with essential data for crafting social and economic development plans and programs.

This municipal population figure reflects the total number of persons living in the 12 barangays of the municipality as of 12:01 AM on 1 July 2024. It also includes Filipinos in Philippine embassies, consulates, and missions abroad.

The population in 2024 is lower by 88 compared with the population in 2020, and higher by 979 compared with the population in 2015. Table 1 shows the comparative results of the population in the past 4 censuses.
