## **TECHNICAL NOTES**

### **Language/Dialect Generally Spoken at Home (2020 Census of Population and Housing)**

The statistics presented in this release were based on the information provided by the respondent or any responsible household member who may provide accurate answers to the questions and give correct information about all the household members.

**Household** is a social unit consisting of a person or a group of persons who sleep in the same housing unit and have a common arrangement in the preparation and consumption of food.

**Language/dialect** generally spoken at home refers to the language or dialect generally used or spoken by the members of the household most of the time at home. It provides a measure of the linguistic homogeneity or difference in the population. Specifically, it measures the extent of the actual use of a language/dialect within a household. The Philippines' official languages are Filipino and English.
