

# TRIVIA!

## REGISTERED LIVE BIRTHS IN MARINDUQUE: 2024

In 2024, an overwhelming majority of babies born in Marinduque were safely delivered under the care of skilled physicians! This remarkable achievement highlights the growing accessibility of professional medical assistance during childbirth, ensuring better health outcomes for both mothers and newborns.

*Note: The data presented herein are based on the documents submitted by the six (6) Local Civil Registry Offices within the province.*
