

The **Philippine Standard Geographic Code (PSGC)** is a systematic classification and coding of geographic areas in the Philippines. Its units of classification are based on the four well-established levels of geographical-political subdivisions of the country such as the region, the province, the municipality/city and the barangay.

Distribution of Barangays per Province

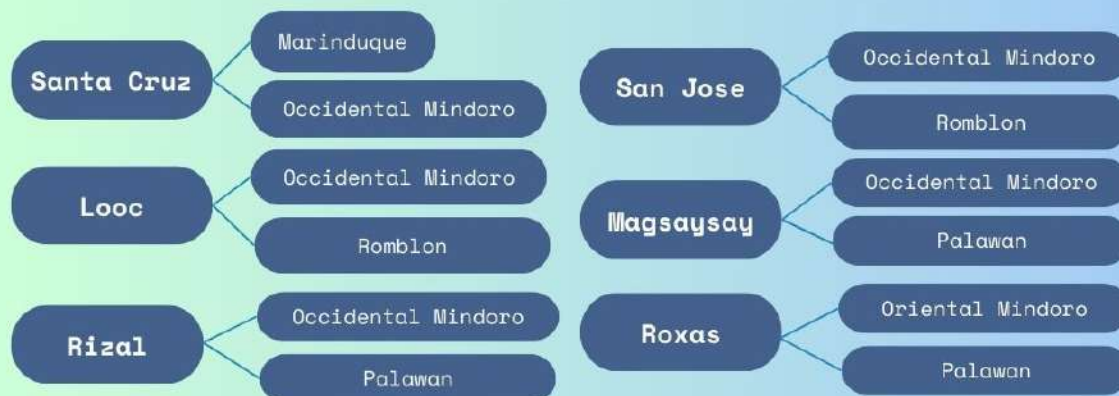

Pursuant to **Republic Act No. 10879** also known as the **MIMAROPA Act** which took effect on 17 July 2016, the Southwestern Tagalog Region was established to be known as **MIMAROPA Region**.

MIMAROPA were composed of:

- 5 Provinces
- 2 Cities
- 71 Municipalities
- 1460 Barangays

Municipalities with Same Names
