**28**

The Philippine Statistics Authority (PSA) conducted the 2020 Census of Population and Housing (2020 CPH) in September 2020, with 01 May 2020 as the reference date. Information in this infographic include data on the school attendance and place of school of the household population 5 to 24 years old. These data, which provide a description of the school-age population, are necessary to assess the adequacy of the country's educational resources.
